Mission Statement

Miramont Preschool is a center-based early childhood program developed in a loving, safe, and creative environment. Our program is designed to nurture self-esteem and confidence in the young child.

Curriculum Description

Miramont Preschool offers a hands-on curriculum designed to help young children develop. The curriculum is designed to challenge and stimulate each child. The curriculum will help build your child's:

- Intellectual competence
- Language skills
- Social/emotional well being
- Self-help skills
- Gross and fine motor skills

Daily Overview

Drop off/ Greeting/ Free Play

Opportunity for children to have free play while everyone arrives.

Circle Time

This time is spent sitting together in a large group. Circle time is the opportunity to introduce the theme of the day through stories, songs, and finger plays. Directions are given for center activities.

Centers and Small Group

At this time our center-based curriculum includes: art, writing/literacy, manipulatives (fine motor), science, listening center, sensory, dramatic play, and computer.

Bathroom/ Snack/ Playground

The “snack can” is rotated through the class. All snacks must be store-bought to meet state health regulations.

Enrichment

Our weekly enrichment program includes: Music, and creative movement.

Story/ Final Circle

As a group, the children listen to a story and review the activities of the day.
